

Beyond the Wedding Threshold: A survey for Catholic couples in the first decade of marriage

The Australian Catholic Bishops are funding a study into the experience of Catholics in their first decade of marriage.

The results will help inform the development of pastoral responses and resources.

If you married in the last 10 years and at least one spouse is Catholic, they'd love to hear from you.

You can provide your valuable insights to their work by completing this short survey about your marriage.
